NO PURCHASE NECESSARY TO ENTER OR WIN PRIZE IN THIS CHALLENGE. A PURCHASE WILL NOT INCREASE YOUR CHANCES OF WINNING. VOID WHERE PROHIBITED BY LAW.

BY ENTERING THIS CHALLENGE, EACH ENTRANT AGREES TO THESE OFFICIAL RULES (“TERMS”), WHICH ARE A CONTRACT, SO ENTRANTS SHOULD READ THEM CAREFULLY BEFORE ENTERING. WITHOUT LIMITATION, THIS CONTRACT INCLUDES INDEMNITIES TO THE SPONSOR FROM THE ENTRANTS (i.e., A REQUIREMENT THAT THE ENTRANTS DEFEND AND/OR REIMBURSE SPONSOR FROM/FOR CERTAIN LOSSES) AND A LIMITATION OF ENTRANT’S RIGHTS AND REMEDIES.

External Data (defined below) is permitted in this Challenge provided Entrants have all rights, licenses and permissions to use the External Data as contemplated in the Terms. Top performing Entrants will be required to certify in writing that they have permission to use all External Data used to develop potentially winning Predictions, and may be required to provide documentation demonstrating such permission to Sponsor’s satisfaction. Failure to satisfy these requirements or Sponsor’s belief that the Entrant does not have all necessary consents and licenses (notwithstanding any certification by Entrant) will result in disqualification from the Challenge and forfeiture of any prize claim.

To be eligible to win a prize in this Challenge, winning Predictions and all source code used to generate the Predictions will need to be made available under an Approved OSS License (defined below) in order to be eligible for recognition and prize money.

Winners will be required to execute prize acceptance documents and return them within the specified timeframe in notification or prize may be forfeited (in Sponsor’s sole discretion), as more fully detailed below.

OVERVIEW: The Egocentric Live 4D Perception (EGO4D) 2022 Challenge (“Challenge”) is sponsored by Meta Platforms, Inc. (the “Sponsor”) and consists of various tracks (“Tracks”), as described in more detail below. Eligible participants can participate in Tracks as an Individual or a Team (defined below) to develop machine learning models that address the Track set forth for the specific Track (“Predictions”). A training data set for the Challenge, as well as a validation and publicly available test set for each Track (each a “Data Set”) and related resources for participation are available at https://ego4d-data.org/ (the “Challenge Website”) or at the individual webpages for each Track on Evail.AI (each also referred to herein as a “Track Website”). Where distinction is not necessary, the Track Websites and the Challenge Website are referred to collectively as the “Website”. Entrants will use information from the Data Sets and the Website to develop their Predictions for the applicable Track. Predictions for prize consideration can be submitted through the applicable Track Website in accordance with the submission dates and times set forth on the Track Website (“Challenge Period”). Certain Tracks may offer two separate Challenge Periods, as described in more detail on the applicable Track Website. By entering this Challenge, each Entrant agrees that Entrant’s biographical information, and other content provided by Entrant and members of their Team, if participating on a Team, as well as Entrant’s Predictions may be publicly announced and posted, including, without limitation, through posting online.
ELIGIBILITY: For the purposes of this Challenge, the “Territory” means any area, country, state, territory, or province where United States or local laws do not prohibit participating or receiving a prize in the Challenge and excludes any country or jurisdiction that is the target of U.S., EU, United Nations, or UK comprehensive trade sanctions (e.g., Crimea, Donetsk, and Luhansk regions of Ukraine, Cuba, North Korea, Iran, and Syria, as such list may be amended).

This Challenge is open only to entrants who are:

a. natural persons who are, as of the date of entry, (i) a resident of a jurisdiction within the Territory; (ii) at least eighteen (18) years old and the age of majority in their jurisdiction of residence (e.g., country, province, state, territory, district, etc.); and (iii) not the target of any trade sanctions administered or enforced by the U.S., EU, United Nations, or UK and are not acting on behalf of entities that are the target of such trade sanctions (any and each, an “Individual”); or

b. an association of Individuals that does not constitute a legally recognized entity (any and each, a “Team”).

Where distinction is not necessary, any Individual or Team (including each Team member) that enters or takes steps to participate in this Challenge is referred to in these Terms as an “Entrant.”

Individuals who are named authors on the paper Ego4D: Around the World in 3,000 Hours of Egocentric Video (“Paper”); personnel, officers, directors, members, managers, agents, and representatives of Sponsor and individuals involved in developing or closely associated with the Data Sets; any other entities participating in the design, promotion, marketing, administration, or fulfillment of this Challenge; or any of their respective corporate partners, parent companies, divisions, subsidiaries, affiliates, successors in interest, and advertising, promotion, and public relations agencies (collectively, the “Released Parties”), and any family member or member of the same household (whether or not related) of any of the foregoing are not eligible to win a prize in this Challenge. For purposes of this Challenge, the term “family member” is defined as any spouse, partner, parent, legal guardian, child, sibling, grandparent, grandchild, or in-law.

Entrants (including each member of a Team) must not be under any legal or contractual obligation that would prohibit their participation in this Challenge as described in these Terms. If participating in this Challenge would result in a violation by Entrant of any law applicable to them/or any agreement to which they or it are a party, including any agreement with an employer or educational institution, such Entrant is ineligible. If Entrant is associated with or an employee of a company/business/organization/educational institution (any, a “company”), Entrant represents and warrants that their participation in this Challenge and their grant of all rights set forth in these Terms do not violate their company’s policies and procedures.

Participation in this Challenge constitutes Entrant’s full and unconditional agreement to and acceptance of these Terms and the decisions of Sponsor, which are final and binding in all matters. Any natural person completing any portion of the entry process described in these Terms on behalf of a Team Entrant must be authorized to act on behalf of that Team. If a Team is entering the Challenge, they must appoint and authorize one individual (the “Representative”) to represent, act, and enter, on their behalf. The Representative must meet the eligibility requirements above and will be considered the Individual who completes and submits the Team’s Entry through the Website. By entering on behalf of a Team you represent and warrant that you are the Representative authorized to act on behalf of your Team.
To be eligible to win a prize in this Challenge, winning Entrants (defined below) agree to publish their winning Prediction and the source code used to generate the Prediction to a public Github repository under a permissive open source license without commercial restrictions approved by the Open Source Initiative “Approved OSS License”.

**HOW TO ENTER:** To enter the Challenge, eligible Entrants must complete ALL of the following steps before the end of the Challenge Period:

2. Visit the Website to review participation instructions for the Track you wish to participate in and follow provided links to access the Track’s provided Data Sets.
3. Use the Data Sets to train a model to generate Predictions for the Track in accordance with the instructions set forth on the Website and these Terms. Use of the Data Sets is subject to the terms set forth at https://ego4ddataset.com/.
4. Submit Predictions during the Challenge Period by following the Prediction instructions on the applicable Track Website.

**Entrants must use the applicable Track Data Sets to train their models to generate Predictions to the best of their ability and compile information and data necessary to evaluate the performance of the Prediction in a container. If Participants use any external data for the Challenge, it must comply with the External Data requirements in the ENTRY REQUIREMENTS section set forth below. To be eligible for prizes in this Challenge, Predictions must outperform the baseline(s) on the leaderboard on the primary metric for the applicable Track. In the event a Track offers a second Challenge Period, Predictions for that Challenge Period must outperform the baseline result on the leaderboard, as well as the winning Prediction from the previous Challenge Period.**

For each Track there is a limit of one (1) Prediction per day. The overall Prediction limit per Entrant for each Track will be set forth on the applicable Track webpage on EvalAI. For the purposes of this Challenge, a “day” is defined as from 00:00:00 – 23:59:59 UTC. Entrants may submit more than one Prediction for each Track, however only Entrant’s best uploaded public Prediction will be considered Entrant’s Entry (defined below) for prize consideration for the applicable Track. Each Individual may participate either in their individual capacity or on one Team for each Track. All Predictions must be made via public entry through the applicable Track webpage on EvalAI to be valid for Challenge consideration.

Individuals may register only once for a Track either as an Individual or as part of a Team. If an Individual registers for a Track more than once, the Individual may be, and the remainder of their Team may be, disqualified in Sponsor’s sole discretion. An Individual cannot join more than one (1) Team for a Track and an Individual who is part of a Team for a Track cannot also enter that Track on an individual basis. If you are participating as a Team, you must join (or form, if not yet formed) your desired Team for the Track on EvalAI.

Submitting Entries to a Track from more than one EvalAI account per Individual (if competing as an Individual) is a breach of these Terms and Sponsor reserves the right to disqualify any Individual (and that Individual’s Team, if applicable) who is found to breach these Terms.
Predictions must be uploaded in accordance with all instructions specified on the applicable Track Website, including the specified format.

The Predictions and related content and information submitted through the Track Website in accordance with these Terms and instructions of Sponsor, and all materials actually received by Sponsor, are referred to in these terms as an “Entry”. An Entrant’s Prediction and any other content or materials that an Entrant submits to Sponsor as part of this Challenge is referred to collectively as the Entrant’s “Entrant Content”. All Entrant Content submitted in this Challenge must comply fully with the “Entry Requirements” section below.

Entries must be submitted and received by the EvalAI platform during the Challenge Period in strict accordance with these Terms. The EvalAI clock will be the official timekeeper for this Challenge. For purposes of this Challenge, only complete Entries that are actually received by EvalAI through the applicable Track Website and during the applicable Challenge Period will be considered. Other proof of submitting or attempting to submit an Entry (such as, without limitation, a printed, saved or copied automated receipt confirming entry, a “Thanks for submitting” screen or message) does not constitute proof of actual receipt of the Entry for purposes of this Challenge. Those who do not abide by these Terms and the instructions of Sponsor and its representatives and provide all required Entrant Content may, in Sponsor’s discretion, be disqualified. Entries (or participation that does not qualify as an “Entry”) that are incomplete, lost, late, misdirected, mutilated, fraudulent, illegitimate, incomprehensible, garbled, or generated by a macro, bot, or other automated means will not be accepted and will be void. Entries or participation made on behalf of an Entrant by a third party not affiliated or associated with that Entrant (as determined by Sponsor in its sole discretion) or originating through any commercial promotion subscription, notification, or entering services will be declared invalid and disqualified for this Challenge. No Released Party will have any responsibility or liability for any dispute regarding any Entrant, including the identity of any Individual Entrant, the composition or members of a Team Entrant, or the distribution of any prize won among members of a Team Entrant. In the event that any dispute regarding an Entry or Entrant (including those regarding the identity or members of an Entrant Team or any Entrant’s rights in a Prediction) cannot be resolved to Sponsor’s satisfaction, the Entry will be deemed ineligible and the Entrant disqualified. ENTRIES AND PARTICIPATION MAY NOT BE ACKNOWLEDGED, WILL NOT BE RETURNED AND, IN FACT, MAY BE DESTROYED. KEEP A COPY OR THE ORIGINAL OF EACH ELEMENT OF THE ENTRY. ANY ENTRY THAT DOES NOT CONFORM TO THE REQUIREMENTS IN THESE TERMS MAY, IN SPONSOR’S DISCRETION, BE DEEMED INELIGIBLE.

ENTRY REQUIREMENTS: In addition to the instructions listed above, Entrant Content must meet all of the following requirements, as determined by Sponsor in its sole discretion, or the associated Entry may be disqualified:

Platform Terms: Each Entrant must also at all times comply with all terms and policies applicable to the Website and any third party platform that Entrant may use in connection with Entrant’s participation (e.g. GitHub, AWS, etc.).

Public Posting/Sharing: Entrants are encouraged to make the code submitted with their Entry public, but doing so is not a condition for Entry. In addition to Sponsor and third party use of the Entrant Content detailed elsewhere in these Terms, Predictions may be posted to the Website and Entrants’ standing may be identified in a leaderboard. Leaderboard standings are not dispositive. Sponsor’s decisions and the evaluation and judging process set forth herein are dispositive.
Intellectual Property: Other than those materials provided by Sponsor, all aspects of the Entrant Content must be solely owned by, or licensed to, the Entrant or in the public domain. All third-party content not owned by or licensed to the Entrant is prohibited, unless such content is in the public domain. Sponsor may request written proof of ownership of or adequate license to Entrant of any Entrant Content. Failure to timely provide adequate proof of ownership or sufficient license rights in any content included in the Entrant Content (as determined by Sponsor in its sole discretion) may result in the Entrant being disqualified and related Entry deemed void.

External Data: If Entrants use any data in addition to the Data Sets to develop Predictions or otherwise participate in the Challenge, Entrants must have all rights, licenses and permissions to use such external data as contemplated in these Terms. Entrant represents and warrants that any use of any external data in connection with participation in this Challenge is pursuant to and in accordance with a valid license that permits use of the external data in a competition for prize money without the need for additional approvals from any third party, and agrees to provide Sponsor or Sponsor’s representative with proof (to Sponsor’s satisfaction) of such license upon request at any time during or after the Challenge and Challenge evaluation process. Potential winners may also be required to certify in writing that they have permission to use all external data used to develop potentially winning Entries. Failure to satisfy any of these requirements in accordance with Sponsor’s instructions and timing, or Sponsor or its representative’s belief that an Entrant does not have all necessary consents and licenses (notwithstanding any certification by Entrant) will result in disqualification from the Challenge and forfeiture of any prize claim.

Language: All Entrant Content must be in English or, if not in English, the Entrant must provide an accurate English translation and promptly respond to questions or requests for clarification from Sponsor within the timeframe requested, if any. If any part of an Entrant’s Entrant Content depicts, identifies, or includes any person that is not Entrant themselves or, for a Team Entrant, a member of the Team, Entrant must have permission from the individual depicted, identified, or included (and, if such individual is a minor, their parent or legal guardian) and Entrant agrees to provide Sponsor with written confirmation of those permissions and rights upon request.

No Biometric Processing: In addition to each Entrant’s obligation to comply with the the Data Set license accessible at https://ego4ddataset.com/ and any licenses applicable to External Data an Entrant may use to participate in the Challenge, Entrants are prohibited from performing any biometric processing on data in connection with the Challenge (including the creation of models that perform biometric processing), including, without limitation, the creation of a retina or iris scan, fingerprint, voiceprint, scan of hand or facial geometry, or any other biometric identifier as defined under applicable law.

Other Requirements/Restrictions: Entrant Content must not create or imply any association between Sponsor and any individual or entity or their products or services, including the Entrant. Entrant Content must not infringe, misappropriate, or violate any rights of any third party including, without limitation, copyright (including moral rights), trademark, patent, trade secret, or rights of privacy or publicity or contain any confidential information. Entrant Content must not include information or content that is false, fraudulent, deceptive, misleading, defamatory, libelous (including trade libel), disparaging, harassing, threatening, profane, obscene, pornographic or otherwise adult-oriented, hateful, indecent, inappropriate, or injurious to any Released Party or any other party. Entrant Content must not contain or describe any harmful or illegal activity or content or in any way violate any federal, state, or local laws, rules, or regulations and Entrant is responsible for compliance with all applicable laws in connection with their Challenge participation, including compliance with any trade laws or regulations applicable to their
Entry under this Challenge. Entrant Content must be suitable for presentation in a public forum. Entrant agrees that their participation in the Challenge and agreement to these Terms and any Released Party’s reproduction, display, and use of the Entrant Content in accordance with these Terms will not violate any agreement to which Entrant is a signatory or party. Entrant agrees to indemnify the Released Parties against any and all claims from any third party for any use or reuse by any Released Party of the Entrant Content authorized under these Terms. Sponsor reserves the right in its sole discretion to disqualify from the Challenge any Entrant whose Entry (in its sole discretion) refers, depicts, or in any way reflects negatively upon a Released Party, the Challenge, or any other person or entity or does not comply with these Terms, including any of the above Entry requirements. Violation of these Terms may, in Sponsor’s sole discretion, result in disqualification. If a Prediction was developed using code containing or depending on software licensed under an open source license, that license must be an Approved OSS license.

**WINNER SELECTION/NOTIFICATION:** The Predictions for each Track will be evaluated based upon the evaluation metrics set forth on the Track Website and in the Paper. The top three (3) Entries receiving the highest scores for the Track based upon the stated metric(s) will be potential winners, subject to verification and compliance with any and all of Sponsor’s requirements, including completion of Winner Documents (defined below) and an academic explanation of potential winner’s Prediction. A tie between two or more valid and identically scored Predictions submitted during the Challenge Period will be resolved in favor of the tied Prediction that was submitted first.

As a condition of receipt of a prize, each potential winner will be required to submit the potential winner’s algorithm code and documentation to the conference workshop identified by Sponsor for verification or as otherwise in accordance with Sponsor’s instructions. The source code must contain a description of resources required to build and run the algorithm. Potential winners’ may be required to assist in running potential winners’ Prediction code to the satisfaction of Sponsor.

An Entrant may decline to be nominated as a winner by notifying Sponsor directly within one week following the end of the Challenge Period, in which case the declining Entrant forgoes any prize or other features associated with winning the Challenge. Sponsor reserves the right to disqualify an Entrant who so declines at Sponsor’s sole discretion if Sponsor deems disqualification appropriate.

Winners will be determined as specifically described, and not using any random drawing or method incorporating chance. Sponsor will attempt to notify the potential winners via the email address associated with the EvalAI account that submitted the potentially winning Prediction within ten (10) days following the conclusion of the applicable Challenge Period and potential winners will need to contact Sponsor in accordance with EvalAI’s instructions and by the stated deadlines to complete the winner verification process. Sponsor may also publicly post the results, including individual and team names (as determined by Sponsor in its sole discretion). Each potential individual winner, including all natural people who are members of a winning Team (as determined and requested in Sponsor’s sole discretion) may be required to complete, execute, have notarized (if applicable), and return an affidavit or declaration confirming eligibility, a liability/publicity release (unless prohibited by law), tax documents and related prize-acceptance documents (collectively, “Winner Documents”) within the time frame specified and in the form provided by Sponsor’s representative, without revision, or prize may be forfeited.

Potential winners will also be required to prepare an academic explanation of their winning Prediction, addressing requirements and questions set forth by Sponsor, for review by the Ego4D consortium member
supporting the applicable Track or another Sponsor designated representative. Winning Predictions and all source code used to generate the Predictions must be documented in the academic explanation of the Prediction. The academic explanation must be submitted within the stated time period and published to arxiv.org or a similar platform under a permissive Creative Commons license without commercial restriction.

If any individual Entrant, individual member of a Team, or Representative refuses to comply with the foregoing requirements and other requirements of Sponsor, their Entry may be disqualified at any time and/or prize may be forfeited in Sponsor’s sole discretion with no liability or responsibility to the respective Entrant or any individual within that Team, even if other Team members have complied with the requirements. The winners must respond to Sponsor’s winner notification within three (3) days of attempted notification or other time period set forth in the notification or prize may be forfeited. Any Winner Documents required of the winner must be received by Sponsor from the potential winner by the deadline specified by Sponsor in the Winner Document correspondence or prize may be forfeited and an alternate winner selected. If any notification or other Challenge-related communication is returned as undeliverable, or if a selected potential winner cannot be reached or does not respond as instructed after Sponsor has attempted to notify that potential winner, that selected Winner may be disqualified and an alternate winner may be determined (time permitting and in Sponsor’s sole discretion). Sponsor reserves the right to modify the notification procedures in connection with the selection of any alternate potential winner, if any. The prize claim and Winner Documents are subject to verification by Sponsor. All prizes legitimately claimed will be awarded. Sponsor will not be obligated to pursue more than three (3) alternates (time permitting) for the prize for any reason.

To the fullest extent allowable under applicable law, all taxes, if any (including, without limitation, national, federal, state, provincial, territorial, prefectural, and/or local taxes), as well as any expenses arising from acceptance or use of the prize and not specified in these Terms as being provided as part of the prize, are the sole responsibility of the winner. Winners may be required to provide certain information to facilitate receipt of the prize, including completing and submitting any tax or other forms necessary for compliance with applicable withholding and reporting requirements.

Sponsor, Sponsor representatives and judges' decisions are final and binding in all matters.

**PRIZES AND QUANTITY:** The number of winners, prize descriptions and value of each prize will be set forth on the applicable Track Website.

After verification of eligibility, each winner will receive the prize in the form of a check or electronic transfer from Sponsor’s representative made out to the winner (if an Individual, or to the individual Team members if a Team), as determined in Sponsor representative’s sole discretion. Allow 30 days from final verification and confirmation for prize delivery.

If a Team wins a prize, all Team members must submit a single written statement describing how the prize is to be allocated among the Team members. If the Team fails to submit such a statement within 30 days after the end of the Challenge Period, then Sponsor’s representative will distribute the prize among Team members in equal shares and will have no further obligation to winning Team members. Winners may receive an IRS 1099 form or W-8BEN, as applicable, from Sponsor’s representative in the amount of their prize at the appropriate time. Prize winners are responsible for any taxes, fees or other liability resulting from their receipt of a Prize.
Anything of value provided by Sponsor in connection with this Challenge shall be used only in accordance with applicable laws and shall not be used in any way, directly or indirectly, to facilitate any act that would constitute bribery or an illegal kickback, an illegal campaign contribution, or would otherwise violate any applicable anti-corruption or political activities law.

Sponsor is not responsible for a potential winner’s inability to accept or use any prize. The Released Parties are not liable for any missed events, opportunities or expenses incurred as a consequence of internet connectivity, hardware or software issues.

Prize details not specifically stated in these Terms, will be determined in Sponsor’s sole discretion. If a winner does not accept or use the entire prize for any reason, the unaccepted or unused part of the prize will be forfeited and Sponsor will have no further obligation with respect to that prize or portion of the prize. Prizes may not be transferred (a) to any individual, entity, or country prohibited by any applicable U.S. or non-U.S. export controls and trade sanctions; (b) to anyone on U.S. or non-U.S. government restricted parties lists; or (c) for any purpose prohibited by applicable export controls and trade sanctions, including nuclear, chemical or biological weapons, or missile technology applications without the required government authorizations. You acknowledge that Sponsor is subject to U.S. economic restrictions and trade sanctions. As such, Sponsor reserves the right to deny distribution of any prize when required by or otherwise made infeasible by applicable law. Sponsor reserves the right to substitute any stated prize or any component thereof with another prize or component of equal or greater value for any reason. Sponsor has no obligation to award more than the stated prizes. Entrants waive the right to assert as a cost of winning the prize, any and all costs of verification and redemption and any liability and publicity that might arise from claiming or seeking to claim said prize.

**LICENSE**: By entering, except where prohibited by law, each Entrant grants to the Released Parties (and their agents, successors, and assigns) the irrevocable, perpetual, transferable, sublicensable, absolute right and permission to use, edit, modify, copy, reproduce, and distribute their Entrant Content in connection with the Challenge. In addition each Entrant that enters in association with a company/business further, on behalf of the company/business grants to the Released Parties (and their agents, successors, and assigns) a non-exclusive, irrevocable, worldwide, transferable and sublicensable right and license to use such company/business's trade names and trademarks (including logos) in connection with this Challenge and the promotion and marketing of Sponsor. Nothing contained in these Terms obligates Sponsor to make use of any of the rights granted herein and each natural person granting publicity rights under this provision waives any right to inspect or approve any such use.

Each Entrant hereby acknowledges and agrees that the relationship between the Entrant and each of the Released Parties is not a confidential, fiduciary, or other special relationship, and that the Entrant’s decision to submit their Entry for purposes of the Challenge does not place any of the Released Parties in a position that is any different from the position held by members of the general public with regard to elements of the Entry (including, without limitation, the Predictions and any written explanations provided by Entrant), other than as set forth in these Terms. Each Entrant understands and acknowledges that the Released Parties have wide access to ideas, text, images, code, applications, software, and other creative materials. Each Entrant also acknowledges that many Predictions, written descriptions or other materials submitted in connection with the Ego4D project or this Challenge may be similar to, or identical to their Predictions or any written descriptions and/or each other in idea, function, components, format, or other respects. Each Entrant acknowledges and agrees that such Entrant will not be entitled to any
compensation or right to negotiate as a result of any Released Party’s use of any such similar or identical material that has or may come to such Released Party from other sources. Each Entrant acknowledges and agrees that Sponsor does not now and will not have in the future any duty or liability (direct or indirect; vicarious, contributory, or otherwise) with respect to the infringement or protection of the Entrant’s patent, copyright or other proprietary rights in and to their Entry, including the Predictions contained or described therein. Each Entrant waives and releases the Released Parties from any and all claims that Entrant may now or hereafter have in any jurisdiction based on “moral rights” or “droit moral” or unfair competition with respect to the Released Parties’ exploitation of any Entrant Content consistent with the terms of the license set forth in herein without further notification or compensation to Entrant of any kind, and agrees not to instigate, support, maintain, or authorize any action, claim, or lawsuit against the Released Parties, each of their licensees, or any other person in connection with this Challenge, on the grounds that any use of any Entrant Content or element thereof or derivative works therefrom in accordance with this license infringes or violates any of Entrant’s rights therein. In no way limiting the foregoing, each Entrant acknowledges that, with respect to any claim by Entrant relating to or arising out of a Released Party’s actual or alleged exploitation or use of any Entry or other material submitted in connection with the Challenge, the damage, if any, thereby caused to the applicable Entrant will not be irreparable or otherwise sufficient to entitle such Entrant to seek injunctive or other equitable relief or in any way enjoin the distribution, exhibition, or other exploitation of any Released Party process, application, service or other property, and Entrant’s rights and remedies in any such event are strictly limited to the right to recover damages, if any, in an action at law.

LIMITATION OF LIABILITY & DISCLAIMER OF WARRANTIES: NOTHING IN THESE TERMS LIMITS, EXCLUDES, OR MODIFIES OR PURPORTS TO LIMIT, EXCLUDE, OR MODIFY ANY STATUTORY CONSUMER GUARANTEE OR ANY IMPLIED CONDITION OR WARRANTY, THE EXCLUSION OF WHICH FROM THESE TERMS WOULD CONTRAVENE ANY STATUTE OR CAUSE ANY PART OF THESE TERMS TO BE VOID (“NON-EXCLUDABLE GUARANTEES”). SUBJECT TO THE LIMITATIONS IN THE PRECEDING SENTENCE AND TO THE MAXIMUM EXTENT PERMITTED BY ANY MANDATORY PROVISIONS OF APPLICABLE LAW, THE RELEASED PARTIES EXCLUDE FROM THESE TERMS ALL CONDITIONS, WARRANTIES, AND TERMS IMPLIED BY STATUTE, GENERAL LAW, OR CUSTOM, EXCEPT FOR LIABILITY IN RELATION TO A NON-EXCLUDABLE GUARANTEE. SUBJECT TO ANY NON-EXCLUDABLE GUARANTEES, EACH ENTRANT AGREES TO RELEASE, HOLD HARMLESS, AND INDEMNIFY (I.E., DEFEND AND/OR REIMBURSE) THE RELEASED PARTIES FROM ANY LIABILITY WHATSOEVER FOR INJURIES OR DAMAGES OF ANY KIND SUSTAINED IN CONNECTION WITH THE USE, ACCEPTANCE, POSSESSION, MISUSE, OR AWARDING OF A PRIZE OR WHILE PREPARING FOR, PARTICIPATING IN, AND/OR TRAVELING TO OR FROM ANY CHALLENGE- OR PRIZE-RELATED ACTIVITY, INCLUDING, WITHOUT LIMITATION, ANY INJURY, DAMAGE, DEATH, LOSS, OR ACCIDENT TO PERSON OR PROPERTY (HOWEVER (BUT ONLY IF REQUIRED BY LAW IN YOUR JURISDICTION), THIS RELEASE, HOLD HARMLESS, AND INDEMNIFICATION COMMITMENT DOES NOT APPLY TO CASES OF BODILY INJURY OR LOSS OF LIFE OR TO THE EXTENT THAT ANY DEATH OR PERSONAL INJURY IS CAUSED BY THE NEGLIGENCE OF SPONSOR OR OTHER THIRD PARTY, WHERE LIABILITY TO THE INJURED PARTY CANNOT BE EXCLUDED BY LAW). FURTHER, ENTRANT AGREES THAT THE RELEASED PARTIES ARE NOT RESPONSIBLE IN ANY WAY FOR ANY ADDITIONAL EXPENSES, OMISSIONS, DELAYS, OR RE-ROUTING RESULTING FROM ANY ACTS OF ANY GOVERNMENT OR AUTHORITY. EACH WINNER AGREES THAT THE PRIZE IS PROVIDED AS-IS WITHOUT ANY WARRANTY, REPRESENTATION, OR GUARANTEE (EXPRESS OR IMPLIED, IN FACT OR IN LAW), WHETHER NOW KNOWN OR
HEREINAFTER ENACTED, RELATIVE TO THE USE OR ENJOYMENT OF THE PRIZE, BEYOND ANY NON-EXCLUDABLE GUARANTEES.

ADDITIONAL DISCLAIMERS: The Released Parties are not responsible and/or liable for any of the following, whether caused by a Released Party, the Entrant (or a member of any Entrant Team), or by human error (except to the extent that any of the following occur for reasons within Sponsor’s reasonable control, if applicable law in your jurisdiction of residence dictates that liability to the injured party in such a case cannot be excluded by law): Entries made by illegitimate means (such as, without limitation, by an automated computer program); any lost, late, postage-due, incomplete, illegible, incomprehensible, mutilated, or misdirected vote, email, mail, or Challenge-related correspondence or materials; any error, omission, interruption, defect, or delay in transmission or communication; viruses or technical or mechanical malfunctions; interrupted or unavailable telephonic, cellular, cable, or satellite systems; errors, typos or misprints in these Terms, in any Challenge-related advertisements, or other materials; failures of electronic equipment, computer hardware, or software; lost or unavailable network connections or any failed, incorrect, incomplete, inaccurate, garbled or delayed electronic communications; technical or human error which may occur in the administration of the Challenge or the processing of submitted Predictions or other entry materials; or any injury or damage to persons or property which may be caused, directly or indirectly, in whole or in part, from Entrant’s participation in the Challenge or receipt or use of any prize. Released Parties are not responsible for electronic communications that are undeliverable as a result of any form of active or passive filtering of any kind, or for insufficient space in a person’s email account or voicemail inbox to receive email or voice messages. Released Parties are not responsible, and may disqualify an Entrant, if any contact information provided by the Entrant does not work or is changed without giving prior written notice to Sponsor. Without limiting any other provision in these Terms, the Released Parties are not responsible or liable to any Entrant or Winner (or any person claiming through such Entrant or Winner) for failure to supply a prize or any part thereof in the event that any of the Challenge activities or Released Parties’ operations or activities are affected by any cause or event beyond the sole and reasonable control of the applicable Released Party (as determined by Sponsor in its sole discretion), including, without limitation, by reason of any acts of God, equipment failure, threatened or actual terrorist acts, air raid, act of public enemy, war (declared or undeclared), civil disturbance, insurrection, riot, epidemic or pandemic, fire, explosion, earthquake, flood, hurricane, unusually severe weather, blackout, embargo, labor dispute or strike (whether legal or illegal), labor or material shortage, transportation interruption of any kind, work slowdown, any law, rule, regulation, action, order, or request adopted, taken, or made by any governmental or quasi-governmental entity (whether or not such governmental act proves to be invalid), or any other cause, whether or not specifically mentioned above.

GENERAL RULES: By entering this Challenge (except where prohibited by law), each natural person agreeing to these Terms as part of an Entry (as an Entrant or on behalf of an Entrant Team) grants the Released Parties the irrevocable, sublicensable, free-of-charge, absolute right and permission to use, publish, post or display his or her name, photograph, likeness, voice, biographical information, any quotes attributable to him or her, and any other indicia of persona (regardless of whether altered, changed, modified, edited, used alone, or used with other material in the Released Parties’ sole discretion) for advertising, trade, promotional and publicity purposes without further obligation or compensation of any kind to him or her, anywhere worldwide, in any medium now known or hereafter discovered or devised (including, without limitation, on the internet) without any limitation of time and without notice, review or approval, and each such person releases all Released Parties from any and all liability related to such authorized uses. Nothing contained in these Terms obligates Sponsor to make use of any of the rights granted herein and each natural person granting publicity rights under this provision waives any right to inspect or approve any such use.
Sponsor will collect and process Entrants' personal information and it (as well as all Entrant Content) will be shared with Released Parties and their agents and affiliates to conduct the Challenge. In addition, such agents and affiliates may use such personal information to contact Entrant directly, for any reason. Entrants' names and other personal details from their entry to the Challenge will be collected and stored by Sponsor and its affiliates and held in accordance with Sponsor’s Data Policy at https://www.facebook.com/privacy/explanation.

Sponsor’s decisions will be final in all matters relating to this Challenge, including interpretation of these Terms, determination of the winners, and awarding of the prizes. All Entrants, as a condition of entry, agree to be bound by these Terms and the decisions of Sponsor. Failure to comply with these Terms may result in disqualification from the Challenge. Entrants further agree to not damage or cause interruption of the Challenge and/or prevent others from participating in the Challenge.
